May General Meeting

Our next General Meeting will take place on May 8th at The Landings at Freedom Village.

As usual we will start our evening at 6 PM with Bill and John doing their great Q & A session. If you have questions that need answers, these two are the guys to ask.

Jack Hemstreet and Dolly Vari will be helping our beginning computer users with a Beyond the Basics forum in the Landing Lounge from 6 to 6:45 PM. This session is for fairly new users who are bewildered by the question in the auditorium.

For our main presentation of the evening, Ana Guillermo, H2U manager from Blake Medical Center, will be talking to us about the benefits available to us through our membership in H2U.

If you haven't had a chance to visit us at our Open Help center on a Friday afternoon at the 26th street H2U facility, be sure to stop by and say hello.

Hope to see you all on the 8th.
