September General Meeting

We hope that you've all had a great summer. Now it's time to get serious about our computers, and our computer friends again.

Our September meeting will take place on September 2nd at the Landings at Freedom Village.

Bill and John will be handing out their wit and wisdom starting at 6 PM. That will be followed by Lyla with our latest business and announcements.

Then Lee Auslander will be showing us one of his latest new computer accessories. He has a new Digital Mini Projector that he will be demonstrating for us. He finds it very helpful for projecting his latest and greatest pictures and projects.

We hope to see you all there.
